The first trophy won by the Goddard football team now hangs in a room in the Thompson Memorial. It is a large gilt sign in the shape of a watch. A Bethel jeweler who apparently had more confidence in the Middlebury second team than he had football judgment assured Coach Aldrich, before last Saturday's game that Goddard was due for a trimming. The coach disagreed heartily, whereupon the jeweler promised that if Goddard won he would donate his sign to the school. The big clock arrived at the school yesterday with the jeweler's compliments. Another hard game is expected by Coach Aldrich Saturday when his crowd clashes with Troy Conference academy, the Goddard gridiron.

Word has come to Goddard that the Troy eleven has a powerful line and a speedy backfield. Coach Aldrich has had his charges out every afternoon this week and has been teaching them a lot of "new stuff" which is expected to surprise everyone who is at the game Saturday afternoon and particularly the visiting warriors. The same lineup will be used, Coach Aldrich believes, except that Wall and Capt. Finn will play the halfbacks and Vonatti full.

Acquaintances in Barre will be interested in reading of the celebration of the 20th wedding anniversary of Dr. H. K. Sherburne and Dr. Mary B. Sherburne, which took place at their home in Rutland last Saturday evening.

Dr. Sherburne has practiced osteopathy in Rutland for 18 years. A Nippon china teaset was presented them. The Rutland Herald says: "Both Doctors Sherburne were practicing osteopaths before they came to Rutland. Both graduated from the osteopathic college at Kirksville, Mo. Dr. Mary Sherburne, then Dr. Mary A. Burbank, a year later than her husband, who was a member of the class of 1899. Dr. H. K. Sherburne located in Fitchburg, Mass., but went to Keene, N. H., where he was at the time of his marriage. Dr. Burbank practiced in Littleton, N. H., after her graduation, until her marriage, which took place in Barre, at the home of Dr. H. K.
